OBJECTIVE

Motivated student pursuing Bachelor degree in electrical engineering and pursuing real-world experience as Electrical Engineer Intern with leading-edge company. Diligent, reliable and well-versed in engineering principles and project support.

EXPERIENCE

2020/06 - 2020/08

- **Trainer Jointer**

BRUGG Cables

I have completed the theoretical and practical training for high voltage cable system in Dubai, United Arab Emirates

In theory

1. High voltage XLPE system
2. Applications for high voltage accessories
3. Fundamentals power cables, cables rating calculation, cable grounding system & testing

In practical

1. Supervising cable pulling
2. Installation of power accessories joints and terminations

2021/1 - 2021/4

- **Electrical Engineer**

Riyadh Cables Group

I have completed the practical training for high voltage cable system in Dubai, United Arab Emirates

1. Supervising cable pulling and cables testing
2. Maintenance of power accessories joints and terminations

2021/05 - Now

- **Technical Engineer**

Riyadh Cables Group

My experience in this company is to process low and medium voltage cables as follows:

1. Design cables as a drawing or as a specifications
2. Using SAP system to process inquiries and give suitable and needed materials for the customer
3. Prepare customer note, technical datasheets for cables, manufacturing

instructions, work orders, test plans

EDUCATION

2020

- **Bachelor in electrical and electronic engineering**
University of Sharjah
2.6

2022

- **Autocad course**
Udemy
Pass

2022

- **Microsoft Office excel**
Udemy
Pass

SKILLS

- Learning new things, trying to finish work as soon as possible, my work is simple and it is not complicated
- using ms office
- 3D and graphic designer
- Using autocad
- Using SAP to process customer inquiries and advaris to design cables
- Using programming languages like c++, Cs, kotlin, arduino & Matlab
- Pc programs: photoshop, android studio, Microsoft primavera, 3D builder, pspice, kicad & circiut maker
- Communication programs: teams and zoom

LANGUAGES

- Arabic
- English

PERSONAL DETAILS

- Date of Birth : 26/05/1999
- Marital Status : Single
- Nationality : Egypt
- Religion : Islam sunni
- Gender : Male
- Driving Licence : I have driving licence

- Email 2 : U16106322@sharjah.ac.ae
- Golden Visa : I got the golden visa
