

## PERSONAL DATA

Address: Salaka-Mansoura, Dakahlia-Egypt.

Date of birth: 15/8/1994.

Marital status: Single.

Nationality: Egyptian.

Military status: Done.

## ABOUT ME

I am a civil engineer design, build and supervise construction projects in the public and private sector including roads, buildings, tunnels, dams and bridges. I have a logical mind with a practical approach to problem solving and a drive to see things through to completion, self-motivated, organized and capable of working under pressure. I enjoy working in my own initiative or in a team. Shortly, I am reliable, self-confidence, details oriented, trust-worthy, hard-working, eager to learn and have a genuine interest in every aspect of civil engineering especially deep foundation.
