About me

A brief overview of my professional experience as a cleaner, spanning from 2008 to the present. My professional journey in the cleaning field commenced at the Sunrise Holiday Hotel in Hurghada, where I acquired effective guest-oriented cleaning skills. Subsequently, I performed the role of a room attendant at the Grand Hotel in Hurghada, mastering the art of room cleaning and contributing to providing a clean and comfortable environment for guests. I then transitioned to the Grand Hayat Sharm El Sheikh Hotel as a general cleaner, enhancing my skills in managing larger spaces and upholding high cleanliness standards. Concurrently, I was part of the cleaning team at Dar Al-Amal for the elderly, gaining a profound understanding of the specific needs of this valuable demographic. Expanding my experience into healthcare, I worked at the Zahraa Hospital in Tama and Tama General Hospital, facing new challenges and further adapting to diverse work environments. Additionally, I gained valuable expertise in industrial cleaning during my tenure at The Guardians Company, improving my effectiveness in cleaning factories and industrial facilities. Upon relocating to Saudi Arabia, I worked as a cleaner at Al Noor Home Cleaning Company, leveraging my comprehensive understanding of cleaning across various contexts. I look forward to the opportunity to join your esteemed team, where I can utilize my rich experience effectively to contribute to maintaining high cleanliness standards in your respected institution. In summary, I am a professional and versatile cleaner, having cleaned and maintained various environments with high quality while adhering to cleanliness and safety standards. Thank you for your consideration, and I am eagerly awaiting the opportunity for a personal discussion to provide further insights on how I can enrich your team..

Experience

"General Cleaner"

Jan 2021 – Sept 2023

The Noor Establishment for House Cleaning.

- At Noor Home Cleaning Establishment, I performed cleaning tasks with precision and specialization. My responsibilities included cleaning homes, apartments, and hotels to the highest standards of quality. I applied effective cleaning methods to ensure optimal results. I also paid special attention to pest control, efficiently dealing with insects and rodents to ensure a clean and healthy environment for clients. My diverse experience in this field demonstrated the ability to handle various challenges and maintain high cleanliness standards. I dedicated myself to providing comprehensive and reliable cleaning services, working collaboratively with the team to achieve the highest levels of customer satisfaction. I consistently adhered to schedules and professional standards, contributing to enhancing the institution's reputation in the cleaning services sector. In summary, I was an effective and committed part of delivering high-quality cleaning services at Noor Home Cleaning Establishment, contributing to creating clean and comfortable environments for our clients. Here are some achievements: – Developed and implemented successful marketing strategies to increase the customer base and enhance market penetration. – Improved and organized internal processes to increase efficiency and enhance the customer experience. – Managed a diverse multinational team, motivating them to achieve company goals and deliver excellent results. – Established new partnerships with suppliers and strategic partners to enhance offerings and expand the business scope. – Achieved revenue and profit growth through pricing strategies, improved invoicing processes, and collections. – Developed and implemented training and development programs for employees to enhance their skills and performance. – Maintained strong relationships with existing customers, consistently meeting their requirements and expectations.

"Industrial Cleaning Worker"**Feb 2016 – Nov 2020****"Guardians Industrial Cleaning Company"**

- As an industrial cleaner, my responsibilities encompass a meticulous and specialized approach to cleaning within manufacturing and industrial settings. I engage in thorough cleaning procedures, ensuring the maintenance of high standards of hygiene and safety. My tasks include the proficient use of industrial cleaning equipment and chemicals to effectively eliminate contaminants and maintain a sanitized environment. This role demands a keen understanding of safety protocols and the ability to adapt to diverse industrial environments. I am committed to upholding cleanliness standards in manufacturing facilities, contributing to a healthy and organized workspace. The position requires attention to detail, efficiency in utilizing cleaning techniques specific to industrial settings, and a proactive approach to identifying and addressing cleanliness challenges. In summary, my role as an industrial cleaner involves the application of specialized cleaning practices to ensure a safe and hygienic working environment within industrial settings. Here are some achievements: – Improved cleaning efficiency in factories and industrial facilities. – Implemented special security and safety measures during the cleaning process. – Worked effectively as part of a team to achieve cleaning and maintenance goals.

"General Cleaner"**Mar 2011 – May 2012****"House of Hope for TheElderly"**

- In my role as a cleaner at House of Hope for Senior Care, I ensure the cleanliness and organization of shared spaces and rooms, contributing to creating a clean and comfortable environment for the residents. I am sensitive to their specific needs, working efficiently to meet health and cleanliness standards. The role requires positive interaction with seniors and providing necessary support to maintain their daily quality of life. Here are some achievements: – Volunteered as part of the cleaning team at Dar El Amal for the Elderly. – Demonstrated a deep understanding of the needs of this valuable age group. – Provided care and attention to the elderly and improved their environment.

"General Cleaner"**Jul 2012 – Feb 2015****Al-Zahra Hospital**

- In my role as a general cleaner at Al-Zahra Hospital, I am responsible for cleaning and maintaining public areas and facilities, ensuring a clean and healthy environment for both patients and staff. I am dedicated to strictly adhering to health and cleanliness standards and working efficiently to provide a safe and sanitary atmosphere for everyone in the hospital. Here are some achievements: – Worked in a healthcare setting and successfully faced new challenges. – Contributed to maintaining hospital cleanliness and order. – Handled hospital-specific cleaning requirements and sterilization protocols.

Education

"The Commercial Technical Institute in Sohag" Sept 2005 – Oct 2007**"Diploma in Commercial Technical Institutes"**

- I obtained a technical commercial institute diploma and studied accounting and business management.

"General Cleaner"

Mar 2015 – Jan 2016

Tima General Hospital

- In my role as a general cleaner at Tama General Hospital, I am tasked with maintaining cleanliness and sanitation in various areas of the hospital. This includes cleaning common spaces, ensuring the proper disposal of waste, and contributing to a hygienic environment for both patients and staff. I am committed to upholding high standards of cleanliness to support the overall well-being of the hospital environment. Here are some achievements: – Achieved noticeable improvements in cleanliness and order levels at the hospital. – Received praise from the medical team and patients for providing a clean and comfortable environment. – Complied with required health cleanliness and sterilization standards.

cleaner

Mar 2010 – Jan 2011

Grand Haiah Hotels Sharm El-Sheikh

- As a cleaner at Grand Hayat Sharm El Sheikh Hotel, my role involves efficiently ensuring the cleanliness of rooms and common areas according to hotel standards. I carefully arrange furniture and organize rooms, paying attention to providing a comfortable and clean environment for guests. I am committed to maintaining professional interactions with guests and working collaboratively to ensure the highest levels of quality and comfort during their stay. Here are some achievements: – Managed the cleaning and maintenance of large spaces within the hotel. – Maintained high standards of cleanliness and order. – Addressed the needs of guests and ensured their comfort.

house keeping

Jan 2009 – Feb 2010

Grand Hotel Hurghada

- As a room cleaner at Grand Hotel in El Gouna, I was responsible for carefully preparing rooms, cleaning bathrooms, providing toiletries, and ensuring guests' needs were met. I delivered high-quality service to guarantee a comfortable and clean environment for guests. I was committed to professional interactions and teamwork to ensure a satisfying experience for hotel guests. Here are some achievements: – Meticulously cleaned rooms according to hotel standards. – Contributed to providing a clean and comfortable environment for guests. – Worked effectively as part of a team to ensure organization and coordination.

Hotel External Cleaner

Mar 2008 – Dec 2008

Sunrise Holiday Hotels In Hurghada

- I was responsible as a general cleaner for the exterior areas at Sunny Days Holiday Hotel in El Gouna. I meticulously cleaned and maintained external areas, including streets and entrances, while adhering to high cleanliness standards. I aimed to ensure a clean and appealing external environment for guests. My experience was characterized by attention to detail and providing professional service to achieve the highest levels of comfort and quality for the guests. I also took care of the gardens, cleaning and maintaining them carefully to enhance their beauty and provide a peaceful and comfortable environment for guests. Here are some achievements: – Improved cleanliness and comfort levels for guests by implementing effective cleaning strategies. – Received praise from guests for room cleanliness and excellent service. – Handled guest requests promptly and efficiently.

- General studies such as mathematics, physics, chemistry, geology, biology, philosophy, logic, history, and geography.
