Education

Graduatet from (Duhok
Polytechnic University/
Zakho Technical Institute /**Petroleum
Department** (operate and control)

Experience

Important topics for (1_ fluid mechanical 2_refinery
3_ control and measurement 4_industrial safety)

And

DNO Oil and Gas Company, Summer Internship Program;

During my summer internship at DNO

Oil and Gas Company, I gained invaluable experience and
knowledge in various aspects of the oil and gas industry.
Through immersive training and site visits, I had the
opportunity to work alongside industry experts and gain
practical insights into the following areas:

Introduction to Oil and Gas with Training Coordinators:

Health, Safety & Environment with Garreth Ratchford and
Mark Wheeler (HSE Managers).

Geology and Geophysics with Wieske Paulissen (Head of
Expo & Subsurface).

Well Construction with Salah Khalaf (Deputy Drilling
Manager).

Reservoir & Production with Ali

Chalabi (WRM Manager).

Process Engineering with Kurt Boss (Technical Authority).

Acent Interrity with Colin I inklater
