Objective

Work in a challenging environment in a business company or organization in the Computer & network field, maintenance, sales, fundraising or training where I can utilize my capabilities to advance in my career.

I am self-motivated, ambitious and eager to learn. I am a responsible individual with strong communication skills and work ethics besides being creative, focused and highly determined. I am willing to take responsibility and work independently. At the same time, I can work well in teams.

Looking for both personal and professional growth makes me capable of working confidently under pressure. Being bilingual gives me the chance to function efficiently in both English and Arabic. My background and growing up experience has given me a deep insight in the culture and society together with a wider scope in the world of business.

Education

- Bachelor of Information Systems and Management Information Technology with an acceptable overall grade of 2015.

Delta Higher Institute for Computers and Information Technology in Mansoura.

Languages

Arabic : Mother Tongue.
English : Very Good.

Computer Skills

- Multi Computer user and Network management, protection and technical support in coordination with major service companies in the field of networks and information technology.
- Excellent in computer skills and e-mails (follow -up, send and receive).
- Excellent communication with windows 7, 10, 11 operation system and monitor networks and control users through the domain server and firewalls (Sophos, Fortinet).
- Excellent knowledge in Microsoft office, word, Excel, Access and Power point.
- Excellent Internet Researcher.
- Excellent in networks, information technology and systems.
- Very good in advertising designs and promotion on social media.
- Very good at using Adobe Software (photo shop, Illustrator, in copy, in design).
