### Objective

A highly committed, successful and multifaceted professional, offering a distinguished career in community communication, budget management, and public speaking within nonprofits. Recognized for unparalleled work ethic and Proven experience in building and maintaining strong organizational relationships, as well as in creating focused programs to achieve organizational goals. A continuous and well-organized leader; effective in working with diverse individuals, anticipating beneficiary needs, adapting to cultures, and establishing win-win relationships to achieve set goals.

### Experience

#### REACH NGO

2022/3/1 – 2022/6/30

I worked as the leader of the REACH awareness team in Mosul and my responsibilities were as follows:

Manage and participate in health awareness activities and verify the quality standards of these activities in line with the standards of protection.

Coordination with all concerned (local councils, schools,...) To provide health awareness activities and home visits.

Supervising and training the awareness team on conducting health awareness initiatives and campaigns and facilitating the implementation of activities.

Preparing and planning awareness campaigns and sessions.

Ensure that files, records, and computer databases are used in an appropriate and correct manner and that case workers adhere to appropriate documents and data protection protocols.

Sharing information about successes and challenges at the field level with the field manager. Make sure that the main challenges are developed early and addressed in an appropriate manner.

Preparing requests for supplies to prepare health awareness campaigns.

Provide regular reports on the activities provided and ensure that information is constantly updated.

#### Help People Is Meed
