I oversee a group of employees and motivates them to do their job efficiently. They provide daily objectives, develop reward systems for productivity that motivate new hires and seasoned workers alike, and communicate any issues with upper management to reach business goals effectively.

Experiences

Team Leader

-

Misr Life Insurance

Call Center

-

Saudi TV Shop

During this period, I gained a lot of experience, especially the skills of communication and negotiation with clients, and this helped me a lot after that as a team leader.
