

MOHAMED MUSLEM

PROFILE

Although all work experience gained from on-the-job training, I am able to take responsibility for business and work under pressure and work hard to prove my worth and loyalty to work, I am able to completely separate my personal life from my work life and able to work a variety of ways to work Part-time or full-time .
I have a valid UAE driving license for 2026 .

WORK EXPERIENCE

Municipality and Planning Department
2019-2019

I worked in the Department of Municipality and Planning in the Emirate of Ajman as a trainee for a period of two months in 2019 as a data entry, and then I moved to audit the employees' data on a program called Oracle.

Customer Service and Sales
2014-2016

I worked in the field of sales from 2014 to 2016 in the Chinese market in Ajman as a seller and delivery of goods to customers.

Assisting clients and guiding them to finalize their transactions
2020-2020

I worked in the free zone in Ajman as a trainee for a month in 2020 as an assistant to clients and worked to direct them to finish their transactions.

A representative for the center of the final touch for the repair of cars

I worked as a public relations representative at the Final Touch Auto Repair Center in the Emirate of Sharjah, and through that job, I learned a lot about this profession, its related matters, and the laws related to the job.

Ccustomer service at City University College in Ajman

I worked at City University College in Ajman in the profession of customer service and during this period I gained experience in how to deal with customers and work on finding quick solutions to the problems that are encountered at work.
