## Objective

I am self-motivated, ambitious and eager to learn. I am a responsible girl with strong communication skills and work ethic along with being creative, focused and highly determined. I am willing to take responsibility and work independently. At the same time, I can work well in teams.

Seeking personal and professional growth makes me able to work confidently under pressure. Being bilingual gives me the opportunity to work efficiently in both English and Arabic. My background and experience growing up gave me deep insight into culture and society as well as a broader scope into the world of business and engineering.
