- General guidance supervision of the heat, light and power engineer or delegate, operates, maintains and repairs all aspects of the hotels systems, in accordance with the standards to achieve optimum operating efficiency of equipment at all times.

Certificate of Recognition:

- The certificate is awarded due to the valuable contribution to the success of the “**2010 IHG EMEA Conference**”.

Certificate of Achievement:

- “**Outstanding Performance Award**” in November 2011.

Courses:

Intensive **Design Diploma** at Ain-shams University and Egyptian Engineers Syndicate from (23/5/2015 till 17/6/2015) .

Diploma outline:

- Hvac systems design.
- Firefighting systems design.
- Plumbing systems design.

Project Management Diploma at RITI (Project management institute and regional IT Institute) from (20/12/2014 until 4/4/2015).

Diploma outline:

- ✓ General Management Skills.
- ✓ Project Management Process Groups.
- ✓ Project Scope Management.
- ✓ Project Time Management.
- ✓ Project Cost Management.
- ✓ Project Human Resources Management.
- ✓ Project Quality Management.
- ✓ Project Risk Management.
- ✓ Project Communication Management.
- ✓ Project Procurement Management.

- ✓ Project Integration Management.
- ✓ Professional Responsibility.
- ✓ Microsoft Project.

Energy Manager from (EUREM) European Energy Manager at the (German – Arab chamber of industry & commerce) from (4/11/2013 till 25/2/2014)

Course outline:

- ✓ Energy Technology Basics, Measurement and regulation technology.
- ✓ Energy policy, energy supply and trading.
- ✓ Energy Management.
- ✓ Energy efficient Buildings.
- ✓ Efficiency and project management.
- ✓ Thermal Engineering.
- ✓ Process Heat.
- ✓ Combined heat and power.
- ✓ Air-condition / Ventilation.
- ✓ Refrigeration.
- ✓ Electric Drives.
- ✓ Lighting.
- ✓ Geothermal Energy.
- ✓ Compressed air systems.
- ✓ Green IT.
- ✓ Biomass & Biogas.
- ✓ Solar Technology.

THE PROFESSIONAL PROGRAM IN PROJECT MANAGEMENT” at “The American University in Cairo”

- ✓ Project Planning and Control Techniques.
- ✓ Project Management International Standards.

Language:

Arabic: Excellent spoken and written (Native Language).

English: Excellent spoken and written.

Personal Data:

Date of Birth: 23rd of September 1986.

Place of Birth: Cairo.

Marital status: Married.

Nationality: Egyptian / Filipino.

Military status: Exempt.

Drive license: Exists.

Contents of the training course European EnergyManager

Engineering

- Energy efficient buildings
- Air-condition and ventilation
- Refrigeration
- Thermal engineering
- Process heat
- Electric drives
- Lighting
- Compressed air
- Green IT
- Combined heat and power
- Geothermal energy
- Biomass and biogas
- Solar technology

Management

- Energy engineering
- Energy trade
- Energy management systems (ISO 50.001)
- Data acquisition and analysis, controlling
- Process and load management

Energy concept title

Activation power saver system and improving lighting system in guest rooms by retrofitting incandescent lamps with LED lamps at Kempinski Nile hotel, Garden City, Cairo, Egypt
