

# CURRICULUM VITAE

## Personal Information

Family Name : BELAHOUEL

Name : NOREDDINE

Birthday /Place : 24/01/1960 IN MOSTAGANEM

Nationality : ALGERIAN

Address : Camp 5 , Street 30-06 AIN EL BIA ORAN –ALGERIA.

Qualification : Shift Supervisor process

Situation : Married

Phone : +213 770 77 66 54

Email : [nounoubelahouel27000@gmail.com](mailto:nounoubelahouel27000@gmail.com)

## Academic Level

Bac level in 1978

Arabic : Mother Language

French : Very well

English : Well

Computer tool : word , excel , power point .

## Training and Qualification :

- ❖ 1994 /2010 : DCS leader shift ( shift supervisor ) LNG

## Experiences :

- flushing of turbine , exchangers (plates), column
- Oxygen removal with nitrogen (N2)
- Defrost gas of train and start up.
- Performance test of equipment (leak test)
- Removal of blinds.
- Pressurisation with natural gas (leak test)
- Ignition of hot and cold flare .
- keeping the facilities in good working order
- member of task force

### ❖ Train shutdown for maintenance work (long and short during)

- Isolation of train by blinds
- Put it on O<sup>2</sup>
- Inspection of column and drums

### ❖ Renovation of train

- Turbines , pumps , recycler of compressors
- Transfer pneumatic system to electronic system (DCS)
- Start up of trains after renovation from DCS

- Following manager by PPS ( Pullman Kellogs ) for initial start up of the first train (train 100 since 1980 until LNG production)  
NB: very well knowledge on principal of functioning in the utilities ( turbo-generator / pumping station / desalination / boiler HP/LP /compressor of instrument air .

## **Interim**

Leader zone during holidays and days off

## **Animation And Training**

- Trainer of Turbine compressor
- Trainer of operating ( double post)
- Trainer of board man (DCS)
- Assessor Examiner and trainer.
- 1993 /1994 : Rover operator .
- 1985 /1993 : Panel board operator
- 1984 /1985 : Operator treatment of gas
- 1983 /1984 :Operator liquefaction
- 1981 /1983 : Operator turbine compressor

## **Training / Seminar/certification**

- Safe behavior program
- Gas treatment training
- Liquefaction training
- Turbine compressor training
- Fractionation training
- Panel board training
- Electrical Network
- Automatic control
- Task force
- Risk management
- Gator training
- Environment security hygiene HSE
- Rover and leader shift
- Training course in train modification
- Training course in security and health of work
- Training course of the technicians exploitation and consoles manufacturing
- Training course PHD in automatic control and engineering system.
- Training course in consolidation intervention
- Training course in syspro production
- Training course in syspro laboratory
- Training course in English language
- New reference table work permit
