-

■ Executed projects

1-Construction,completion of panels
installation for houses and pu

2- Construction, completion of

maintenance for many places in Nasiriyah

And others

▪ Technical Skills

Electrical engineering/construction supervision/construction/operation & maintenance/power distribution and generation.

▪ Personal skills

Comprehensive knowledge of electrical engineering

Familiar with regulatory standard and procedures of electrical industry

Ability to monitor supervise coordinate and manage huge staff

Attention to detail with excellent communication and management skills

Ability to solve problems and have critical thinking skills

▪ Computer and language skills

Good command of office programs such as a word .Excel. Power point

Native in Arabic (mother tongue),

Excellent command of English (Written and spoken) and medium in Russian language

General Directorate of Electrical Energy
production in Nassiriyah
Nassiriyah power station

المديرية العامة لإنتاج الطاقة الكهربائية في الناصرية
محطة كهرباء الناصرية الحرارية

شهادة مشاركة

تؤيد مشاركة السيد (علي عادل احمد) في دورة فحص وتشغيل الأجهزة الكهربائية KV (0.4 & 6.3)
التي أقيمت في محطة كهرباء الناصرية الحرارية للفترة من 2 / 10 / 2011 لغاية 2 / 12 / 2011 بالإضافة إلى التدريب
العملي وقد تجاوز دورة التدريب النظري والعملي بتقدير **ممتاز**

*This is certify that (Mr. Ali Adel Ahmed) successfully completed the training course
(Test and operation of electrical equipment 6.3 & 0.4 KV) from 2/10/ 2011 to 2/12/ 2011 with a grade (Medium). conducted by Nassiriyah power station*

م . فيصل عبد العالي عبد
مدير محطة كهرباء الناصرية الحرارية

م . رشيد جواد كاظم
رئيس قسم التخطيط

م . نضال سنان محمد
مسؤول شعبة التدريب

م . صدام شبيب حسن
المدرّب

نقابة المهندسين العراقية / فرع ذي قار

شهادة مشاركة

نؤيد بأن الزميل المهندس (علي عادل احمد) قد شارك في
دورة تصميم وتنفيذ منظومات الطاقة الشمسية
والمقامة في مقر نقابة المهندسين العراقية فرع ذي قار
بتاريخ 4 - 10 / 12 / 2022

المهندس
جعيد ناصر عبيد التميمي
رئيس الفرع

مركز الكاوي الاجتماعي
Kurdistan Region - Iraq
Environmental Organizations
Academic Center - Ankawa

لقد تم تنظيم الدورة في
مقر نقابة المهندسين العراقية
فرع ذي قار - 10 / 12 / 2022
مقر نقابة المهندسين العراقية
فرع ذي قار - 10 / 12 / 2022

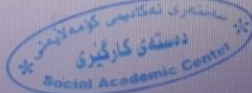

This is to certify that **Mr. Ali Adil Ahmed** has successfully completed the
Training Course of

ONLINE PLC COURSE

This program is organized by **Walead AL-samman Training Center**

Including :

Siemens S7-200 - Siemens S7-300 - Siemens S7-1200 - Siemens Logo - Delta DVP - HMI
SCADA System - VFD

Address : Kurdistan Region - Iraq / Erbil - Ankawa
Tel : 07701666774
