ABOUT ME

I have minimum 12 years experience in Graphic design field, I am Art Director, I started working back in 2009, During of which I was able to develop my skills and gain a huge experience in the field of graphic designing. Every company I worked for taught me something that shaped my skills and my thinking And encouraged me to be creative and professional adding from my experience and doing my best to help Elevate the company in its field. I always try to think outside the box to come up with new ideas to help branding the name of the company i work for. when I choose a job offer that Suits me i look for the company and people who can respect my expereince and add to it. I am also a graphic trainer since 2014, I gave trainings in alot of centres like (Russian Culture Centre - Cad Masters - Taha World - Conception - Private Courses - Global Health Organization, I have trained more than 3500 Student.
