

Personal information

Name: Ismael Khalaf Salah

Date/Place of birth: 12, November, 1962 / Mousl

Nationality: Iraqi

Marital status: Married

Mobile: +9647740891574

E-mail: ismaelkhalaf1962@gmail.com

Objective

To work in challenging environment demanding all my skills and efforts to explore and adapt myself in different field and realize my potential where I get the opportunity for continuous learning.

Education

Bachelor of Electrical power engineering and Diploma Electric Technical

Mousl University

Courses included:

- Electrical Power laboratory
- Power system protection
- Power system planning
- Electromechanical energy conversion
- Protection Generators
- Repair electronic cards
- Training engineers and technicians in gas turbine plant generation stations and transmission networks
- Teaching and training students in practical laboratories at the University of Mosul, College of Engineering / Department of Electrical Power Engineering

Training

- Electric Power Development and Management in **KOICA (Boryeong Education Institute (KBEI) in KOMIPO)** at South Korea.
- Repair maintenance of generators in **TUGRAN** Company at Turkey.
- Vocational Training Center courses in Mosul which including(**Power system protection ,Transformer components, Synchronous generators, Excitation control and Gas turbine component)**

Skills

- Operation and maintenance generators sets .
- Operation and maintenance of control Relay Panels ,LV panel .
- Supervising all ongoing works at gas turbine and hydro power station .
- Repair electronic cards .
- Maintenance of electric generators and power transformers and protection methods .
- I have more than 15 years of experience in these fields and skills.
