Dear, Madam, Sir,

Currently looking for a new challenge, allow me to send you my application .

I believe that I can provide your company with the skills it needs to effectively accomplish the tasks of this job.

First of all, I would like to tell you that my profile corresponds well to the qualities expected to be responsible.

Indeed, in addition to my know-how, I can count on my sense of responsibility and my rigor. I am also an open person with a good sense of contact and a real desire to learn. I think these are essential values to achieve the level of performance expected by your company.

In addition, as my CV attached to this letter indicates, my professional experience has enabled me to consolidate the skills essential to the profession .

Faced with the unexpected and demands of this profession, I have always been able to respond to them independently.

Integrating your company is a real challenge for my future and I sincerely hope that my profile will get your full attention. I remain at your disposal for any supplementary questions and I am at your disposal for a possible interview.

Please accept my respectful greetings.

ADIL OUADIM
