

Ahmed Mohsen

Administrative representative

amo591091@gmail.com

01028233622

Alexandria, Egypt

I have more than 8 years of experience in the field of sales and distribution, which I gained by working in pharmaceutical companies as a distributor and sales representative. In addition, I believe that I am skilled at driving cars because it was a large part of my work tasks, and what resulted from my presence in the labor market for a long time. It is that I have become able to face any problem and deal with it wisely.
