Staff management

Day of crew

English

Hard working and self-motivated

Cross-functional teamwork

I joined Pharco Pharmaceutical Industries after completing my studies and completing my military service. I did a great job with my team in the company for 5 years and was appointed in charge of the pharmaceutical preparations department and has a successful history in managing the staff, organizing the work and the ability to complete my tasks accurately, delivery on time and enthusiasm for work.. I want to increase my experience working for successful companies to gain experience and learn to solve all problems
