## ELECTRIC POWER ENGINEER

 mohammedgamal1292000@gmail.com

 0112 691 4404

 Toukh-Qalioubya, Egypt

### RELEVANT SKILLS

- Hard work and proactive
- High computer skills
- Very good presentation
- English level is very good

### SOFT SKILLS

- Microsoft Office
- Dialux evo
- Autocad
- Revit
- ETS

### Military Service

Exemption

### WORK EXPERIENCE

#### Electric power Engineer

##### Jet solar Company (May, 2023)

- I watch the steps of manufacturing and testing for the solar cell
- I watch the component of the solar cell

##### MAM For Engineering Industries & Electrical Supplies (September, 2022)

- I watch the steps of manufacturing and testing for the distribution board
- I watch the component and installation of distribution board
- Marketing for distribution board

##### ASGC Company (February, 2022)

I trained in a construction company(ASGC)

- bulk equipment with different types ( generator – transformer –RMU – different types of DP( installation – operating test –maintenance )

#### I have been worked ILMonte Galala Ain Sokhna

### EDUCATION HISTORY

#### Higher institute for engineering and technology in fifth settlement ( 2018 TO 2023)

Year of Graduation (2023)

Electrical power Engineering (GRADUATED)

Estimate Degree : Good

Project Degree : Excellent

Graduation Project : electric power Distribution & solar system and smart system(knx)

### CERTIFICATIONS

#### Professional Electrical Distribution Training (Eduvate) (2022)

Introduction to Construction Field, Conceptual Design (Load Estimation, Zoning, SLD Preparation) , Bulk Equipment Sizing LV & MV Switchgears, Lighting Design , General Power Design, MEP Loads Feeding, Panel Schedules preparation, Cables Selection & Sizing, Cables Routing, Power System Calculations (CB Sizing, Cables Deration, SC, VD Calculati , Earthing & Lightning Protection Systems, Infrastructure Design , Street Lighting Design, Smart Panels. , KNX Sessions, Technical office Topics., Low Current Systems introduction, Software programs (Revit, CAD, Dialux, EVO, ETAP, Ecodial), ECODIAL Software 20. ETAP Software, Soft Skills Sessions
