[Mahmoudsadek236@gmail.com](mailto:Mahmoudsadek236@gmail.com)

I have experience in the field of accounting follow-up, and I am looking for a good position in a company that respects the accounting unit administrator and realizes his importance in all areas so that I can put my studies and experience under its services and gain more experience in this field, which I always consider the most important field in any industrial field.
