PROFILE

My name is Magdy Mohamed Ibrahim,

I am 23 years old and I live in Suez.

I hold an Industrial Diploma in the field of electricity and electrical machines and equipment. I have over five years of practical experience; I worked for a year and a half at Suez Steel Company in the melting department, followed by a year as an Electrical Installation Technician at Petrojet.

Additionally, I spent two years working at LG Center, where I developed my skills in maintenance and installation.

I am always striving to improve myself and achieve outstanding results in my field.
