## EDUCATION

Bachelor's Degree in Mechanical engineering 2020

Shoubra Faculty of engineering

GPA  
**3.43** / 4.0

- Graduation Project: Applied 7 Quality tools in a Manufacturing process.

## PROJECTS

### Automated SoftwareTesting Framework for Todo Web Application

Building a best practices Testing automation framework (TAF) from scratch for a Todo web application using Java, Selenium, Maven,TestNG, POM, Rest Assured integration, parallel execution, Generating Allure Report automatically and GitHub Actions. [GitHub link]

### Manual Software Testing for Todo Web Application

Smoke Testing, Write and Execute Test Cases, Reporting Bugs, Retesting Fixed Bug and making Regression Testing.

### Manual Software Testing for Grocery Mobile Application

Reviewing user stories, Requirements mind map using Miro, Design test scenarios and test cases

### API Testing for Trello APIs using Postman

Review API Documentation, Build an environment and collection, write test cases for these API requests, Run these requests using Postman.

### Performance testing for WhatsApp website using JMeter

Use GUI and Non-GUI modes in JMeter to perform load and stress testing.

## TECHNICAL SKILLS

### Manual Software Testing

Requirement Review - Writing Effective Test cases - Bug Report - Defect Tracking tools - Jira

### Programming And Scripting Languages

Java - JavaScript

### UI Test Automation

Selenium WebDriver - TestNG - POM - Cucumber - Allure Report

### API Testing

Postman - Rest Assured

### CI/CD

Git/GitHub

## SOFT SKILLS

### Communication

Coordinated with cross-functional teams to ensure quality standards were met and maintained

### Attention to Detail

Completing all tasks while paying attention to even the smallest issues

### Problem Solving

Developed and executed solutions for complex quality issues.

### Motivation and Hard Work

Always motivated to learn new things and improve in all areas of life

## TRAINING / COURSES

ISTQB Foundation level, QAcart

Testing courses (Manual & Automation), Udemy

Testing Courses - ITI Mahara-Tech

API Crash Course: Postman, Udemy

SQL, QAcart
