Application for the position of Hairdresser

Dear,

Please find attached my application for a job with your company as a hairdresser for men.

I have been able to have my own salon in recent years. I have been graduating since 2006 and I have followed additional training.

I have also been able to develop my knowledge during various hairdressing jobs in recent years.

All these experiences allowed me to obtain a good mastery in haircut technique.

I am able to make all types of hairstyle ranging from classic style to a little more avant-garde style. Sensitive to customer needs, I keep abreast of new trends.

I have a taste for contact and a neat presentation.

I hope that the hearing of my resume and my motivation will have aroused your curiosity, an appointment will certainly allow me to finish convincing you .

In this endeavour, please accept, Madam, Sir, the expression of my distinguished consideration.
