### Objective

Over a five-year-study in Pharmacy field and working in pharmacies, I have played an essential role in patient counseling, OTC prescribing and giving the accurate advice of the proper dosage form and the well dose in the community pharmacy I work in. Actually, I aim to work as a medical representative so I had a lot of internships in many companies about sales and marketing.

### Education

- **Mansoura University** 2018/2023  
Bachelor of Pharmacy  
3.1 " Very Good "

### Experience

- **Warda Pharmacy** 2018 - till Now  
I describe OTC drugs and negotiate the client with the best choice for their case , as well as, I tell them how to administer their drugs well.
- **Sandoz** 14/8/2022 - 27/8/2022  
Trainee  
Quality Control and Quality Assurance internship.
- **Rameda** 8/2022  
Trainee  
I had a lot of important expressions and a solid base in Marketing strategies and Sales field.
- **Marcyrl** 7/2022  
Trainee  
I had four sessions which were very valuable; that enrolled me in the marking field.
- **Nestl ** 6/2022 - 7/2022
