i528@gmail.com

Ben Mahmoud
Doha, Qatar

EXPERIENCE

Water and wastewater
company
2020 - 2021

Welding

This work made me more flexible, accurate and fast

Gas Pipeline Company
2021 - 2022

welding

It gained accuracy and urbanity because it is a sensitive work due to the fact that it follows the gas leak

the Gasoline Container
Company
2022 - 2023

Business supervisor

I applied for this job because I gained the necessary experience, so I was accepted It was a good experience and I look forward to more

EDUCATION

Tunisian agency for
vocational training
2018 - 2020

BTB

I studied with good professors and learned from them all that is necessary in terms of pasting, fitting and welding of iron and pipes
