EXPERIENCE

lecturer at Department Of Chemistry, Faculty Of Education, University Of Holly Quran And Islamic Studies Dec-2019-Now
Khartoum- Sudan

LECTURER

Teaching Courses of Organic ,Inorganic and Analytical Chemistry.

Supervising the practical classes in chemistry laboratory.

Explain the material to the students.

Monitor and support the students while doing their experiments and test .

Assignment of students course work.

Setting exams and marking of results.

SCOPE Scientific Consultancy

Jan-2019-June-2019
Khartoum- Sudan

CHIEF CHEMIST

Analysis of variety of samples using HPLC ,UV, Vis Techniques and methods.

Calibration of analytical instruments.

Ph meters, conductivity and TDS meters.

Turbidity meters, Analytical
balances ,viscosity meters, Exc.

Assist the courses instructor in the Hands on practical skills training courses: HPLC ,IC ,AAS, FTIR.

Teaching general chemistry course for
English Secondary Schools .

Department Of Chemistry, Faculty Of Education, University Of Khartoum

Dec-2014-Dec-2015
Khartoum- Sudan

TEACHING ASSISTANT

Supervising the practical classes in the
chemistry laboratory.

Explain the materials to the students.

Monitor and support the students while doing their experiments and tast .

Assignment of students course work.

Setting exams and marking of results.

Supervising students and discuss their scientific researches .

EDUCATION

University Of Khartoum Faculty Of Education
B.Sc in chemistry science& education(first class)

2009-2014
 Khartoum- Sudan

University Of Khartoum Faculty Of Science
M.Sc in chemistry science(Excellent)

2016-2018
 Khartoum- Sudan

PROFESSIONAL SKILLS

- Hard working
- Excellent team working
- Developing work environment with the creation of new ideas
- Familiar with computer programs:Microsoft Word, Excel,and PowerPoint

INTERNSHIP / INDUSTRIAL EXPOSURE

Amipharma Laboratories Ltd.

8 Jul 2018- 18 Jul 2018

Training

Khartoum- Sudan

Training in quality assurance of pharmaceutical.
 products using chromatographic techniques HPLC, GC
 Good manufacturing practicals (GMP)
 Calibration of analytical balances
 Visual and automatic titrations
 Spectrophotometric analysis
 High performance liquid chromatography methods.

ACHIEVEMENTS AND AWARDS

Certificate of appreciation

2010

from department of chemistry university of Khartoum due to achieving highest grade point
 average in section 3.85 of 4.00

LANGUAGES

- Arabic , mother tongue
- English , very good
