

Curriculum vitae

Civil status

- **Surname:** BENBOUZA
- **First name:** NAIMA
- **Date and place of birth:** 23/05/1968 Ain touta/ Algeria
- **Address:** City Ali Rfis n°39 Ain touta -Batna 5002
- **Nationality:** Algerian
- **Address email:** aintoutan@yahoo.fr
- **phone:** +213655785235

Education and qualifications

- baccalaureate (High school certificate): modern math June 1987, High school Aicha /batna /Algerie.
- State engineer in electrical engineering 1996, University Mohamed Kheider Biskra Algeria.
- Magister in electrical engineering 2008, option mastery of energy (renewable energies), University Mostafa Benboulaid Batna 2 Algeria.
- Doctorate in electrical engineering 2018, option Mastery of energy (renewable energies) University Mostafa Benboulaid Batna 2 Algeria

Profession

- **Teacher** at University of Kasdi Marbeh Ouargla Algeria since December 2009 to this day.
- **Grade:** university Lecturer A

Experiences

- **Temporary teacher** of French language at the vocational training center during 2002/2005 CFP Ain touta-batna
- **Temporary teacher** of the physical module during the year 2008/2009 – University of Batna 2 Mostafa Benboulaid / Algeria.
- **Permanent Teacher** at university of Kasdi Marbeh Ouargla /Algeria since December 2009 to this day.
- **Supervision** of state engineer
- **Supervision** of LMD system license subjects
- **Supervision** of LMD system Master 2 subjects

Taught modules

- MET 103: Electrical networks (1st year Master "semester 1" industrial electrotechnics) at Kasdi Merbah University - OUARGLA -ALGERIA during the academic year 2010/2011
- MET 203: Electrical networks (1st year Master "semester 2" industrial electrotechnics) at Kasdi Merbah University - OUARGLA -ALGERIA during the academic year 2010/2011

- MET 104: sampling and enslavement (1st year Master "semester 1" industrial electrotechnics) at Kasdi Merbah University - OUARGLA -ALGERIA during the academic year 2010/2011
- MET 204: Electrical networks (1st year Master "semester 2 "industrial electrotechnics) at Kasdi Merbah University - OUARGLA -ALGERIA during the 2010/2011 academic year
- MEP 703: magnetic field and energy conversion (1st year Master "semester 1" machine and power electronics at the university Kasdi Merbah – OUARGLA -ALGERIA during the 2011/2012 academic year
- Power electronics 2nd year license in petroleum instrumentation at the University of Kasdi Merbah – OUARGLA -ALGERIA during the 2011/2011 academic year .
- MEP 901 : modeling in power electronics (2nd year Master "semester 3" machine and power electronics at Kasdi Merbah University - OUARGLA -ALGERIA during the 2012/2013 academic year
- Electrical Machine 1 (MCC) 3rd license option command "semester 5" at the University Kasdi Merbah - OUARGLA -ALGERIA during the academic year 2013/2014
- MEP 110: production of electrical energy (1st year Master "semester 1" electrotechnics industrial)) at Kasdi Merbah University - OUARGLA -ALGERIA during the academic year 2013/2014
- practical work electrical networks 3rd electrotechnical license 2017/2022
- Digital methods 2nd license 2017/2019
- practical work digital methods 2nd license 2019/ 2022
- Technical English 2nd electrotechnical license 2019/2022
- Technical English and terminology Master 1 electrotechnical 2019/2022

Languages mastered

- **Arabic:** Native language
- **French:** good
- **English:** good
