## Experience

### Sales Employee

A mobile device sales employee at Al Waseem Mobile, I worked for a year that was full of challenges. The achievements include working to confront challenges with team spirit and personal diligence, and achieving good sales through a convincing method of the services that the mobile phone provides to the consumer.

### Call Center

I work in customer service for Earthlink for six months. I still work for them on the educational platforms affiliated with the Ahlan platform and Eduba Company in customer service.

### Accountant

Currently, I work in Talabaty Company, Accounts Department one of my tasks assigned to follow up on users of sales outlets and Invoice reconciliation

I consent to the processing of my personal data for purpose of recruitment for the position to which I am applying.
