PROFESSIONAL PROFILE

I worked for two years, a consultant for a lawyer, and I also have experience in the field of law in general. Also, my specialty in the university was subject to a public and special law and I specialized in the private, I joined the master. I studied Master two years and not for three years.

Also, I was studying and working at the same time, and my field of work in the hotel was in the hostel, and I worked as a receptionist regarding the hotel, and my duration was only a year of experience from this field.
