

Romany Reda Abd Elmlak

**Specialist Surveyor**

**Personal information**

- **Occupation** : Specialist Surveyor
- **Marital status** : Married.
- **Nationality** : Egyptian.
- **Date of birth** : 26/11/1991.
- **Military service** : Exemption.
- **Mobil No** : 00201278392803.
- **E-Mail address** : [rrda2171@gmail.com](mailto:rrda2171@gmail.com).

**Qualification**

**Graduate from the institute of survey 2011.**

- **General appreciation Bachelor:** good .
- **Percentage :** 73%
- **Graduation Year:** 2011.
- **Estimating the graduation project:** **Very good.**

**Training courses**

- Certificate of training course for (Surveying Programs - Modern surveying devices) from the Egyptian universities survey, cartography and GIS alumni, the certificate is authenticated by the ministry of social solidarity and the Egyptian foreign ministry.  
**Grade:** **Very good**

**Experiences**

**1 -Kuwait:**

- Location of GC29 (an oil station within the KOC in ABDALI AREA from 8/6/ 2016).

**3-Arab Republic of Egypt:**

a

- Orascom Construction and Industry.  
Seasonal flights airport from 2010 to 2011 during the study.
- Position: general surveyor.
- Project content: (Mnchaouat concrete and electric - Roads - sewage networks and water and electricity networks)

B-

- The employer: Orascom Construction and reconstruction.

- Project: Golf FUSE projects in Madinat Zayed in Sixth of October the project of establishing tourist villages.
- Owner: Palm Hills Real Estate Development.
- Position: general surveyor.
- Project content (Villas - Roads - water networks and sewage and rain and power grids).

C-

- The employer: Orascom Construction and reconstruction.
- Credit Agricole group of the fifth of 2012 to 2013.

D-

Samcrete engineering and Construction.

- Project: commanding officers in the military entity.
- From: 01/11/2016 to 30/06/2017.

- Project: the new administrative capital.

Project: Financial District the united bank in the Administrative Capital.

From: 01/07/0.17 to 01/8/2019

Project: (R5 Residential District) in the Administrative Capital.

From: 02/08/2019 to until now .

## Additional skills

### -Technical software applications:

- AutoCAD program: 2D all the versions

Reading geometric paintings - the design and implementation of engineering paintings and edited it.

- CIVIL 3D program: all the versions.

Road construction (design Implementation - calculate amounts) -tied drainage and flood networks - set up sewage and water systems - Land - calculation of quantities and costs of basic project.

- Surfer: all the versions.

The establishment of contour maps Calculation amounts of drilling and filling the land with the alleged one and the same converting data to AutoCAD and Google Earth.

- Land Desktop software: Land Desktop: all the versions.

Drawing sectors of ways - drawing contour maps and calculate cut and fill quantities.

- Google Earth program Google Earth:

The production of maps and satellite images - create contour maps and draw elevations - bring down the coordinates of the various schemes.

- Office Prolink-Leica Geo.
- Processing and transfer data from devices total Station program.

## **2-: -Technical Devices Experiences:**

- Laser level Normal (all versions).
  - Theodolites device (all versions).
  - Total Station (1200-1203-1205-Leica Viva Leica) (Sokkia 310-320-510- \_ SET250X610)
  - GPS device.
- (Sokkia GRX1 SOKKIA) (Tremble Station R8 R4)

### **Language Skills**

Arabic: native language  
English: good

### **Personal Strength**

Certified Computer Course for Graduate Studies of the University of Electronic Tanta University to work on the following:

- 1 - Microsoft Office.
2. Microsoft Windows XP, 7.

### **Job Duties**

1. Full coordination with the resident engineer, supervisor and engineer.
2. The work of all survey reports for the site of the problems and how solutions.
3. Submission of accounts and records to support all cadastral activities.
4. Cadastral ways to align the procedure, and other vital facilities.
5. Provide surveys of underground pipes and other facilities.
6. Spatial ability to fully leverage the work of the retina budget and calculate cut and fills quantities

### **Objectives**

- Hard working, adaptable and self-motivated, offering great potential for professional growth and achievement through determination and perseverance to reach corporate level.
