Nour Mohammed ibraham Almazaedh

Genetics engineering and biotechnology

Biography

Ambitious and innovative in the field of molecular biology, embryology and bioinformatics, distinguished for woking under pressure, cooperative and working in a team spirit, interested in developing myself, with a leadership personality.

Work

7/2021 - 9/2021

King Abdullah University Hospital

Jordan_Irbid

Laboratory Technican

Reception and Phlebotomy
Routine and body fluids

Clinical chemistry

Hematology and Thrombosis

Endocrinology and Tumor markers

6/2021 - 9/2021

King Abdullah University Hospital

Jordan Irbid

Molecular biologist

Gel electrophoresis

Polimerase chain reaction (PCR)

Genotyping

Strip assay

DNA extraction

RNA extraction

DNA sequencing

Skills

- * Leadership
- * Working under pressure
- * Project management
- * Planning and organizing
- * Have creative skills and problem- solving ability (Troubleshooting)
- * Work effectively in a team
- * Flexibility and ability to manage priorities
- * Communication skills

Languages

- * Arabic
- * English
- * Germany

Hobbies

- Fashion desiner for dress wedding
- Bridal shop

8/2022 - 11/2022

CEO and PR genetics and Bioinformatics Association

Amman

and PR genetics and Bioinformatics

Association |

Administrative board member

Public relations team leader

Ambassador of the association at the

Jordan University Of Science And

Technology

Education

9/2017 - 7/2022

Jordan University of Science and Technology | Irbid , Jordan

Good//

Biotechnology and Genetic Engineering |

College of science

Bipolar disorder

Integrative analyses prioritize GNL3 as a risk gene for bipolar disorder
