WORK EXPERIENCE

Administrative

2023

Royal Group | Al-mansour

I worked with Royal Group as an administrator, and I was under a three-month training period with the company. It was a special experience

Civil Engineering

QIMAT SHUAA ALTAQA COMPANY FOR GENERAL CONTRACTING PUBLIC TRANSPORT GENERAL SERVICES LTD

Oct, 2022- Jan, 2023 / Aug, 2023- Nov, 2023 / Aug, 2021- Oct, 2023

Civil Engineer / QIMAT SHUAA ALTAQA COMPANY FOR GENERAL CONTRACTING PUBLIC TRANSPORT GENERAL SERVICES LTD

PROFESSIONAL EXPERIENCES

- Analyzed and interpreted data from testing and inspection results to assess structural integrity
- Supervised and inspected construction sites to ensure that all work was completed according to applicable building codes and regulations
- Developed a storm water management plan that reduced flooding risks
- Conducted a feasibility study that identified the most cost-effective material and construction method for a new roadway
- Performed soil and structural analyses to identify potential risks and develop mitigation measures
- Developed detailed engineering plans and designs for various infrastructure projects, resulting in improved safety and efficiency
- Assisted in the preparation of construction documents, such as specifications and cost estimates
- Created an automated monitoring system that alerted administrators of potential issues before they impacted users
- Conducted thorough site visits and inspections to ensure compliance with safety regulations and quality standards
- Utilized advanced software such as AutoCAD, Revit, and Civil XD to create detailed plans, drawings, and other documents
- Collaborated with other departments to ensure design consistency and quality
- Analyzed data to identify potential risks and develop preventive measures
