NAGWA HASSAN EFFAT

A motivated and versatile graduate media student with variety of powerful skills in different fields and social media networks. Freshly graduated, but with existing skills from part-time work, social projects, college initiatives, and numerous extracurricular activities. Seeking opportunities to use my skills and bring forth a lifelong passion, creating new views and ideas in any media domain. I possess certificates in marketing, technicalities of computer programs, and public relations. Also, I am bilingual with four different types of languages: Spanish, French, English, and Arabic. Highly competent, hardworking and detail-oriented with the capacity to go beyond what is expected to achieve higher career goals.
