17 years' experience on different rig types, working on all main tasks from Derrick man, Assistant driller and night Tool pusher with the national company ENAFOR, which gave me a thorough knowledge of the different drilling challenges allowing me to be able and confident to deal and solve and manage the drilling environment such as Drilling, Workover, Well Control, Stuck pipes, and fishing; this latter I believe is my focal point for the last 6 years.

---

## Skills

- Fishing
- Drilling
- Workover

---

## Experience

FROM 2007– TO 2010

**Derrick man / ENAFOR, Algeria**

FROM 2010 – TO 2013
