

Experience Certificate

To Whom It May Concern:

We, Vestas Wind Energy Company, the main contractor of the project (GOS1), certify that Mr. Brigadier General /Ashraf Hassanien Hazaa was successfully working in our company as a security and government coordinator from February 1, 2021 to August 31, 2023 during the period of the Gulf of Suez 1 wind power project in Jabal El-Zeit

In addition, he had been a role model of devotion and honesty during doing his duties as follows:-

- 1- Preparing and issuing the internal work regulations for the Security Department to organize its work because of its nature and special requirements.*
- 2- Issuing periodic internal instructions as a complement to the internal work regulations, according to continuous developments in the situation.*
- 3- Selecting, appointing and qualifying the appropriate security personnel (individuals / supervisors) according to job requirements and the nature of work at the site.*
- 4- Implementation of the security plan for the site and a plan to estimate the potential risks by all available means (tools / personnel).*
- 5- Issuing and following up the security instructions regulating the activity (entry - exit) of the gates (individuals / cars / private or public property ... etc.).*
- 6- Issuing and following up the security instructions regulating the entry and exit of vehicles, equipment and personnel of subcontracting companies.*
- 7- Issuing and following up the security instructions related to the procedures for securing the company's facilities, equipment and documents against acts of theft or vandalism.*
- 8- Issuing and following up the security instructions for dealing with suppliers and external contracting companies.*
- 9- Conducting minutes of coordinating cooperation with external security authorities regarding matters related to the company's affairs, business and interests.*
- 10- Representing the company in all dealings with the General Command of the Armed Forces and the General Secretariat of the Ministry of Defense.*
- 11- Representing the company in all dealings with infrastructure companies (electricity - water - sanitation - civil protection).*
- 12- Complete all procedures for issuing work permits and entering the site (Border Guard Intelligence - Military Security Branch).*
- 13- Completing all procedures for issuing work permits for foreigners from the competent authorities (Group 26th of the Military Intelligence Department).*
- 14- Completion of all procedures for obtaining licenses to use wireless devices from the competent authorities (security agencies - the National Telecommunications Regulatory Authority) .*

We wish him all success in his future endeavors
