## About me

Graduate of the Faculty of Applied Arts, New Cairo Academy. Highly creative and detail-oriented Junior Graphic Designer with a strong passion for visual storytelling and brand development. Proficient in Adobe Creative Suite and experienced in creating engaging designs for both print and digital platforms. Seeking an opportunity to contribute my skills and collaborate with a dynamic team to deliver impactful and visually stunning designs.

## Experience

I received an internship at Al-Ahram newspaper.

Utilized Adobe Creative Suite to create visually appealing graphics for digital and print materials, including brochures, logos, and social media content.

Managed multiple design projects simultaneously, meeting tight deadlines while maintaining a high level of attention to detail and accuracy.
