

Curriculum vitae

Personal Informations :

>> family name : BOUHADRA YAHIA.
>> Date of Birth : 03/09/1985 SKIKDA.
>> Nationality : Algerian.
>> Situation familiale : married.
>> Adresse : Cite l'arbi ben M'HIDI camp SH02SKIKDA.
>> Telephone : PHONE (+213) 7 79 90 75 23. 213 664728205
>> Email : yahia220@yahoo.fr

Education

>> Diploma of Engineer in industrial AUTOMATION from university of Skikda Algérie .
>> Training in computer office uses .
>> Training of CCTV system in INSTITUT STS ANNABA .
>> Instrumentation & control training in Skikda LNG plant .
>> Training fiber optical fusion splicer (fujikura 70s).
>> Driving License Category B .

Experience:

February 2022-until now:

Electrical site engineer in SIDEM engineering represent **CA sonatrach** in project **South West Gas Field Development Project SWGFD realization of gas Treatment Unit (EPC2-PHASE 1)**. Hassi Tidjane, TIMIMOUN, ALGERIA

NOVEMBER 2019 - 2021:

ELECTRICAL SUPERVISOR WITH **JGC corporation** in **HMD SOUTH SATELLITE REVAMPING PROJECT ALGERIA(HASSI MESSAOUD)**

Supervising different electrical works as grouding, cable trays,lighting,pulling cables,installation of low and medium switchgear ; interconnexion cables ,fiber optic , cathodic protection fier alarm .

Assisting in the testing of electrical cables including continuity , megger and **HIPOT** test.

- Commissioning and start up of electrical substation equipments ,current transformer,voltage .
- Monitoring installation of electrical equipment transformers,lv and mv motors.
- Working as an operator in the substation.
- transformer,breaker,MVcable ,battery charge and discharge test..

2018 TO 2019:

Electrical supervisor with HYUNDAI ENGINEERING CO.LTD PROJECT cpp(power plant) 1398MW EL MILIA JIJEL

Supervising different electrical works as grouding, cable trays,lighting,pulling cables,installation of low and medium switchgear ; interconnexion cables ,fiber optic , cathodic protection fier alarm .

Assisting in the testing of electrical cables including continuity , megger and hipot test.

- Commissioning and start up of electrical substation equipments ,current transformer,voltage .
- Monitoring installation of electrical equipment transformers,lv and mv motors.
- Working as an operator in the substation.
- transformer,breaker,MVcable ,battery charge and discharge test..

May to july2018:

- QA/QC electrical&instruiment with algerian company **cth (technical control of hydrolic)**.
- JUNE2014 to DECEMBER 2015:
- **Electrical supervisor with HYUNDAI ENGINEERING CO.LTD PROJECT BMS- CPF- BIR MSENSA (cepsa –sonatrach)HASSI MESSAOUD ouergla.**

Supervising different electrical works as grouding, cable trays,lighting,pulling cables,installation of low and medium switchgear ; interconnexion cables ,fiber optic , , cathodic protection fier alarm and heat tracing junction boxes.

- Commissioning and start up of electrical substation equipments ,current transformer,voltage transformer,breaker,MVcable ,battery charge and discharge test.
- Supervising and leading subcontractors **MENOS, GTP,ASSP,DALMA.**
- Commissioning and start up of transformer 60KV.
- Assisting with vendor testing and commissioning including **GUTOR UPS ,SCHNEIDER and MV , LV MCC ABB** switchgears .
- Assisting in the commissioning of **LV ABB SWITCHGEAR 380 V MOTOR CONTROL CENTER. MCC.**
- Assisting in the testing of electrical cables including continuity , megger and hipot test.
- Working as an operator in the substation.
- Working as DCS coordination between electrical substation and central control building.
- Assisting in commissioning and start up of equipments
- ,motors low and medium voltage, air compressors, gaz compressor....
- Installation of cctv cameras and communication system radio;speakerS....
- **June 2013 to april 2014:**
- **Electrical supervisor with SEJONG (E&I subcontractor) of samsung in skikda refinery project.**
 - Supervised work activities in site and ensured respect of procedures and drawings (cable laying, panel installation, cable tray/support , termination, , electrical installation, receiving material inspection....).
 - Monitoring installation of electrical equipment transformers,lv and mv motors
 - Managment of the punch list with construction team ,and the client sonatrach.
 - Coordination and assisting with vendor testing and commissioning including
 - GUTOR UPS Schneider ABB switchgear LOW VOLTAGE and MEDIUM VOLTAGE.
- **October 2011 to 2013 :**
- **Electrical supervisor in electrical company insel.**
 - **Site activities supervision (cable laying, panel installation, cable tray).**
 - **teams control (planning, guidance, technical assistance, reporting...).**
 - **Site work status recording and documenting.**

- Coordination with other company sections and client .

03 June to 31 september 2009 :

Vibro Controller operator in french company SPIE & Ieduc in Skikda LNG project (American company KBR).

► Languages: _____

>> Arabe : Mother Tongue
>> Français : very good
>> Anglais : very good

► Other : _____

- Good physical conditions, good team work and ability to work under pressure.
- Having a sense of responsibility, communication and team spirit.
