## WORK EXPERIENCE

Job Title | Company

I have more than 6 years of experience in the sales business. I have international and Egyptian brands such as Djavu, Aldo and others. My job was to deal directly with customers, welcome them and reach them to the highest international quality standards in providing products

Job Title |

I also have experience in the field of legal work, administrative work, dealing with government interests, attending court hearings of different types and degrees, as well as administrative work, and I have the ability to complete the work entrusted to me as soon as possible. My career path in sales work is summarized in that the customer must get the best type of service, maintain customers, focus on solving all the problems they face, teamwork with the work team, permanent and continuous welcome to customers, and constant attention in the form of the interior design of the shop, where attention is paid to the cleanliness of the shop periodically. Spreading the spirit of cooperation and achievement in the work team
