## Languages

English – C2

French – A1-A2

Turkish—B2

## Summary

A passionate translator with little experience and a lot of love to learn languages, I started speaking English from my early teens. I speak Turkish with native accent, also I teach English grammar and train students to talk English. Looking to further improve translation with teaching and my management experience and computer programs skills by working with colleges, companies, schools or freelance work.

## Skill Highlights
