◼ *COVER LETTER*

Dear HR Manager:

With a Bachelor's Degree and Master's Degree in computer science(Software engineering), more than 5 years of hands-on experience creating and implementing software applications, and the ability to troubleshoot and solve problems in a timely and accurate manner, I confidently express my interest in your company for an experienced software engineer or IT manager.

I have been involved in numerous large-scale software releases and understand the importance of time management and open communication. While it may be easy to focus on the technical side of work, I've found that being able to express concerns, roadblocks, and alternative solutions to colleagues of varying technical backgrounds has been invaluable in my professional development.

Over the course of my career as a software engineer I have:
✓ Become a certified Software Development Associate and Professional.
✓ Led two successful software releases (c#).
✓ Increased team efficiency by implementing Agile methodologies.

I also worked as network administrator by managing users accounts via **active directory(windows server 2008/2012) and network security using kaspersky ADMIN KIT** besides that i have a long experience in network installation.

Recently,Igot "Innovant project label" after deploying new web platform for talented athletics.

Currently, i'm working among a team as code reviewer with some developement tasks on new system for our company based on .NET Core(C#) and MVC ,using WEB API.Managing source control via TFS 2018 .

I have also a good experience in security systems,i'm working as cctv installer as freelancer in my free time.i have some experience in web developement as freelancer too by creating 2 websites(static).

I truly believe in continued education and research, and continue to seek new software and methods to assist with product development. I hope to bring my knowledge, and future knowledge, to your organization.

I can be reached anytime via my cell phone, 0550 35 84 05 **or via** email at **sidali.kadi@hotmail.com** .

Thank you for your time and consideration. I look forward to speaking with you more about this opportunity.

Best Regards,

KADI SidAli
