

KARAM MOHAMMAD BATAIHA

Civil Engineer

Experienced Civil Engineer with 3 years skillfully managing demands of building construction processes and inspection processes. Strong communication skills, both written and oral, adept at effectively liaising with a diverse range of professionals including construction managers, quantity surveyors, subcontractors, architects, designers, and other engineers. Proven track record in previous projects, where meticulously checked plans, drawings, and quantities for accuracy, prepared comprehensive reports, and expertly set out, leveled, and surveyed sites. Committed to ensuring that all materials used and work performed adhere to specifications.
