- Internship in networkers company for 4 months.

## EDUCATION

### Bachelor of Computer Science

#### Minoufiya University

■ 2019 - 2023

• GPA 3.02 (Very Good)

## PROJECTS

### NATOURS

■ 02/2023 - 07/2023

🔗 <https://github.com/alhalwagy/natours.git>

- Full stack application (Node.js & Express.js & mongoDB & mongoose & PUG Templates)

### E-Commerce

■ 07/2023 - 08/2023

🔗 <https://github.com/alhalwagy/e-commerce-api>

- Full API application (Node.js & Express.js & mongoDB & mongoose & Strip)

### my-task-manager-api

■ 06/2023 - 07/2023 <https://github.com/alhalwagy/my-task-manager-api>

🔗 <https://github.com/alhalwagy/my-task-manager-api>

- Simple API application for simple ToDo list App (Node.js & Express.js & mongoDB & mongoose)

### Node Farm

■ 11/2022 - 12/2022

🔗 <https://github.com/alhalwagy/node-farm.git>

### Web-Scraping

■ 01/2022 - 02/2022

🔗 <https://github.com/alhalwagy/web-Scraping.git>

### Image Processing implemented by matLab

■ 05/2021 - 06/2021

🔗 <https://github.com/alhalwagy/image-processing.git>

- with GUI can apply any algorithm or filter on any choosen image

## VOLUNTEERING

### Organization Team member in Compiler Comunity

#### Compiler Comunity

## SKILLS

JavaScript

Node.js

Express

MySQL

Algorithms

Data Structures

OOP

GIT

PUG

C/C ++

Python

Java

MongoDB

Mongoose

MySQL

SSR

CCNA

# CERTIFICATES

---

## Udemy Certificate on Node.js, Express, MongoDB & More

### Udemy

10/2022 - 06/2023 Menoufia, Egypt

Jonas Schmedtmann

<https://udemy-certificate.s3.amazonaws.com/pdf/UC-dbed2f0d-dfe4-4adc-bca7-0f0a35ad7869.pdf> •

practice on real projects.

- Worked on more than 4 large projects.

---

## CCNA Internship

### Networkers

07/2022 - 10/2022 Cairo, Egypt

- Learned at that many concepts such as Networking Fundamentals, Routing Technologies Switching Technologies, WAN Technologies, Network Security, Network Troubleshooting, Wireless Networking

---

## Android Java Internship

### ITI

07/2021 - 09/2021 Menoufia, Egypt

Information Technology Institute
