

ahmedAmr gamal

Mechanical Technician

Objective

-Participation in the work of a graduation project entitled "Generating Electricity from an Industrial Bump"

Education

Shatoura Complex for Basic Education

2019 2017 - Basic education certificate

Elsalam technical Integrated Cluster

2022 2020 - Diploma in mechanics technology

- Diploma in Mechanical Technology

Elsalam technical Integrated Cluster

2022 2020 - pearson BTEC SRF
INTERNATIONAL LEVEL 2
Diploma

- In engineering with grade merit is awarded me

I have completed an approved programming at Elsalam technical Integrated Cluster

Projects

2022 2021 KAMS
- Bump Generates Electricity
- Assembly technician

ementation of the idea of generating electricity industrial bumps and exploiting their presence in reets to generate electricity and the structure of jmp was implemented and was successfully tried
