Professional profile

I am looking forward to obtain a challenging position, at a respectful establishment, where my skill of creativity and other skills can be fully exploited & directed. I am a well-organized person with self-confidence and ability to adapt & work with different people, groups, teams and work environments. I respect my commitments & responsibilities as a person towards society, organizations and official work.

Objective

I am determined to achieve a professional standard and secure a decent position as a start using my skills, training, expertise and life experiences combined to create a creative work experience in every aspect of the job and the organization I work with.

Career Summary

1. Interpreter

From 04 NOV 2001 to MAR 2008.

North West Armed Forces Hospitals Administration, Emergency Room (ER),

Tabuk, Kingdom of Saudi Arabia.

North West Armed Forces Hospitals Administration is a big establishment of 700 beds, serving the Saudi Armed Forces personnel and their dependents. It the 2nd biggest Military Hospital in the Kingdom of Saudi Arabia.

I was assigned in the Emergency Room (ER) as an interpreter among the patients and their companions and the non-Arabic speaking staff in the department, performing immediate interpretation to facilitate the work in the department, which operates round the clock receiving all the emergent and critical cases that require immediate full attention and care. Together with the completion of all the paper work related to the patients; investigations, clinics appointments ... etc.

2. **Translator**

From April 2008 up to 3/11/2012

LMMC (Local Medical Military Committee) department--- North West Armed Forces Hospitals Administration,

Tabuk, Kingdom of Saudi Arabia

Translation Department is responsible for all the translation works in the hospital and is serving the patients and staff as well.

Translation of all incoming translation projects including medical reports, accident reports, sick leaves, official documents, letters, certificates, memos, purchasing requests, resumes, police clearances, faxes, tables, hospital statistical reports and many others.

Since then, I have been working as a freelance translator with many translation offices inside/outside Egypt.
