Summary

A fresh graduate refining and petrochemical engineer, studied at Faculty of Petroleum and Mining Engineering, Refining and Petrochemical Department – Suez University, trained in multiple types of companies such as lubricating oil production companies, refining companies and petrochemical companies, gaining sufficient experience and skills, whether technical or otherwise, that enable me to do many jobs in oil & gas field.

Education

Bachelor of Refining and Petrochemical Engineering.

Graduated from Faculty of Petroleum and Mining Engineering, Refining and Petrochemical Department – Suez University.

Year of Graduation: 2022.

Degree: Very Good.

Graduation Project: Hydrogen and Its Applications, Degree: Excellent.

Some points about the graduation project: this project explains the methods of hydrogen production, showing the inevitability of depending on producing hydrogen from clean, renewable sources.

Military Service Status: Fully Exempted.

Volunteering Experience: Academy Member at AIChE, Suez University Student Chapter (AIChE SUSC), AIChE is the world's leading organization for chemical engineers which stands for "American Institute of Chemical Engineers".

Internships

Summer Training

- From 3-Oct to 6-Oct, 2021 at Industrial Speciality Lubricants Co. (ISLUB) S.A.E.
- From 5-Sep to 16-Sep, 2021 at Helwan Fertilizers Company (HFC).
- From 29-Aug to 2-Sep, 2021 at ETHYDCO.
- At the period of Summer 2019 at SOPC.
- Oil and Gas Summer Internship, a three months internship with final examination offered by Arab Oil and Gas Academy in the Summer of 2021, founded by PioPetro of Marietta College and the SPE Egypt Section.

Courses

Technical

- Chemical and Petroleum Refining Diploma presented by Suez Engineers Syndicate & AIChE SU SC at the period of Summer 2021 (60 hours).
- Process Engineering Course with final examination presented by SPE Al-Azhar University in cooperation with AIChE SU SC at the period of Summer 2021.
- Gas Plant Course presented by SPE Al-Azhar University in. Oct 2021.
- Oil Production and Processing Course presented by SPE Al-Azhar University in. Oct 2021.

Non-Technical

- Develop and Enhance Personal & Organizational Leadership Skills, a training course with final examination offered by Arab Oil and Gas Academy in September of 2021, founded by PtoPetro of Marietta College and the SPE Egypt Section.
