

Mahmoud Elsayed Mahmoud Ibrahim

petroleum and mining geologist

Address: Dikrnis - ElDakahlia - Egypt

Nationality: Egyptian

Birth: 14/7/1998

Mobile: 01023152179

E-mail: me744524@gmail.com

Military Service: Completed

SUMMARY

I am a recent graduate petroleum and mining geologist. I seek to develop the company and innovate new ways of working on drilling oil wells and detecting petroleum materials, as well as identifying minerals and how to extract them. in record time

Languages

- **Arabic:** Mother Language
- **English:** Good

SKILLS

- Good Communication Skills
- Control of The Time And Work
- Quick to Learn and Good at Understanding Company Systems Quick.
- Ability to work one-team system
- Accept the views of other

Training courses:

- UNDERGRADUATE TRAINING IN THE FACULTY OF SCIENCE, MANSOURA UNIVERSITY IN WELL LOGGING
- TRAINING IN BAHARIYA OASIS
- TRAINING IN SOUTH SINAI IN ST. CATHERINE
- TRAINING IN THE BLACK SAND SEA AREA
- TRAINING AT APACHE PETROLEUM COMPANY IN CAIRO
- TRAINING IN THE PHARAONIC PETROLEUM COMPANY

Courses:

- Schlumberger Drilling Course by Dr / Mahmoud Hussein

learned from this :

- Ring Types and Basic drill string component
- Bop equipment
- Drilling fluids and Mud test
- Mud circulation and treating equipments
- Hosting equipment
- Casing and cementing
- Well logging, mud logging
- Power system and instrument

- Basic Mud course By Dr / Mohamed Elshora

learned from this :

- Water Base mud
- Clay chemistry (hydration, swelling)
- Effect of salt , PH , calcium
- PH test using PH strips and PH parpers

- Well Logging course (online and academic course)

Faculty of Science - Mansoura University .

- Comprehensive functional skills course

Scientific Computation Center- Mansoura University

Skills learned from this:
