School Training and Diploma

09/2021 to 06/2022:

Academic Study obtaining Degree: Master II process engineering option: Environmental Engineering.

UNIVERSITY SIKDA August 20, 1955 – ALGERIA

09/2014 to 06/2015:

Academic Study obtaining Degree: Master II Mastery of Industrial Risks

University status HSE (HEALTH and SAFETY INDUSTRIAL) Engineer at University LAHDJ LAKHDAR BATNA ALGERIA

09/2011 to 06/2014:

Academic Study BAC + 5 YEARS Obtaining Degree: State Engineer EHS

University status HSE (HEALTH and SAFETY INDUSTRIAL) Engineer at University LAHDJ LAKHDAR BATNA ALGERIA.

09/2012 to 06/2013:

**Academic Study BAC + 3 YEARS Obtaining Degree: Automatic License
Specialty: Electronics Instrumentation**

UNIVERSITY SIKDA August 20, 1955 – ALGERIA

09/2010 to 2011:

Senior Technician for Process Exploitation LNG

IAP-ALGERIAN PETROLEUM INSTITUTE School of the Oil Technique 21101 SIKDA-ALGERIA

09/2007 to 06/2010:

Degree course and graduation: ENGINEER IN HEALTH, SAFETY AND ENVIRONMENT HSE

HIGHER INSTITUTE OF MANAGEMENT AND EL INFORMATIQUE QUALAM WADI FÖRCHA No. 1: 12 ANNABA ALGERIA.

09/2008 to 06/2011:

University Diploma of Studies Superior diploma: Management.

UNIVERSITY SIKDA August 20, 1955 – ALGERIA

01/2008 in 12/2008:

HSE Technician

IAP-ALGERIAN PETROLEUM INSTITUTE School of the Oil Technique 21101 SIKDA-ALGERIA

04/2005 in 02/2006:

Senior technician Hygiene Safety Environment EHS

PROFESSIONAL HSE body OF RISK PREVENTION 16000 ALGER-ALGERIA

10/1997 in 09/2000:

University diploma of Studies Superiors: Electronics Speciality: Industrial Control

UNIVERSITY OF THE SCIENCE APPLIED BY BADJI MOKHTAR OF ANNABA 23000 ALGERIA.

09/1993 in 06/1996:

High school diploma Option Technology - Electric Genius Mention: passable.

TECHNICUM BOUDEBZA ABD SALAM 210000 SKIKDA ALGERIA

Perfection

12/2014:

Participation for awareness for chemical hazards in confined spaces.

03/2013:

Electrical empowerment training

CPE (petroleum training center and gas)

Year 2009:

**1. Training on the functioning of Exploitation Video surveillance international
CEGELEC-FRANCE Company.**

2. Training on the Functioning of the Industrial USD of Safety

French International France Company.

Year 2008:

Participation in WORKE SHOP SAFE BEHAVIOUR PROGRAMS

IAP-ALGERIAN PETROLEUM INSTITUTE-31000 ORAN-ALGERIA.

09/2006 in 12/2006:

Certificate of Professional Training course of Perfection: safety Industrialist HSE

**For benefit of the state-owned company of refining of oil (petroleum) RA1 / K SKIKDA-
ALGERIA**

IAP-ALGERIAN PETROLEUM INSTITUTE - 21000 SKIKDA-ALGERIA.

01/2005 in 04/2005:

Certificates of Professional Training course of Consolidation: safety Industrialist HSE

**For benefit of the Petrochemical State-owned company and the oil productions ENIP CP1 / K
SKIKDA-ALGERIA IAP-ALGERIAN PETROLEUM INSTITUTE 21000 SKIKDA-
ALGERIA.**

Work Experience

11/2007 in this day:

Health and Safety Engineer EHS

**SONATARCH TRC-RTE transport of Oil productions and Gas by Channelling Region
Transport IS BP: 49 - 21000 SKIKDA-ALGERIA.**

- Work on the evaluation, the detection and the prevention in health and in safety on the work.
- Implement programs of intervention aiming at the improvement of the working conditions.
