

# Curriculum Vitae

Personal data :-

Name: Deeb Muhammad Deeb Al Salahat

Phone number: 0787117027

Email: deebalsalahat111@gmail.com

Age: 32 years.

Born: 12-18-1991 AD

Nationality: Jordanian Position: Electromechanical maintenance technician manager

Education:-

Diploma in Electromechanical Maintenance from Al-Balqa Applied University 2017-2022

Previous experiences:-

he date	Company name	Job title	Job duties
2000 to 2016	ALSalahat Center	mechanical	1- Truck maintenance 2- Dismantling, changing, installing and calibrating the brakes 3- Dismantling and maintaining overalls and installing internal combustion engines 4- Dismantling, installing and maintaining the bellows and internal gears of the gearbox 5- Dismantling, installing and maintaining packages 6- Dismantling, installing and replacing the radiator, water pump and diesel pump
2005 to 2006	Al-Osta Hamed Actros Electricity Center	Actros truck electrician	1- Dismantling, installing and maintaining the electrical harness, fuse panel and battery - Maintaining truck electricity, lighting installations, and changing bulbs 2- Dismantling, installing and maintaining the advance, dynamo and truck battery 3- Dismantling, installing and checking sensors 4- Dismantling, installing and maintaining air coils 5- Dismantling, installing and examining a computer 6- Dismantling, installing and examining the radio, screen, speakers, steering wheel, levers and lights 7-Dismantling, installing and examining the braid connected to the car
2010 to 2011	Matrix Center	Computer Maintenance	1- Installation, assembly and maintenance of computers and hardware parts 2- Download the Windows SOFTWARE driver and computer drivers 3- Download some operating programs 4- Printing research 5- Installation of surveillance cameras 6- Internet 7- Program design
2011 to 2012	Leading Komatsu Mechanical Center	mechanical	1- Dismantling, installing, maintaining and repairing Komatsu heavy machinery and selling parts 2- Dismantling, installing and maintaining internal combustion engines for loaders, excavators, bulldozers and graders Exhaust air filter, manifold, exhaust, head, water pumps, oil filter, diesel pump, injectors, diesel pipes, cartridges, removing piston and crank bits, valves, bridge, oil pump overflow, engine assembly, shirts, valves, oil ring

			<p>and valve calibration.</p> <p>3- Dismantling, installing and maintaining gearboxes for loaders, bulldozers and graders 4- Dismantling, installing, maintaining and calibrating hydraulic pumps and controls for excavators and loaders 5- Dismantling, installing and maintaining hydraulic jacks and hydraulic screws and changing hydraulic oil</p> <p>6- Dismantling, installing and maintaining the loader's pakki, jacks and stiffeners</p>
2012 to 2013	Al-Oula Glass Manufacturing Company	Electromechanical maintenance assistant	<p>1- AutoCAD drawing and operation of the string-jet machine for cutting glass, iron, stainless and aluminium 2- Dismantling, installing and maintaining electricity such as breakers, contactors, timers, sensors (thermal and laser), and electric motors. 3- Dismantling, installing and maintaining electro-optical and electro-hydraulic windings</p> <p>4- Dismantling, installing and maintaining engines and changing grinding stones</p>
2013	Buddy lathe	lathe	<p>1-Shoulder turning, internal and external turning, and serrations</p> <p>2- General turning and metal forming 3- Flange turning 4- Metal welding 5- Impaling on the drill 6- Milling such as gears, hexagonal shape, inner channel, letter and shoulder 7- Threading the screws and installing pegs</p>
2014	Model Forklifts Company	Mechanical, electrical and hydraulics	<p>1- Dismantling, installing and maintaining internal combustion engines</p> <p>2- Dismantling, installing and maintaining lime</p> <p>3- Dismantling, installing and maintaining the radiator and water pump</p> <p>4- Dismantling, installing and maintaining diesel pumps, injectors and diesel pipes 5- Dismantling, installing and maintaining oil, oil filters, air filters and spark plugs 6- Lubricating the levers</p>
2014	Abu Al Haj GM Mechanical Company	GM mechanic	1- Dismantling, installing and maintaining GM internal combustion engines
2014	Abu Al-Raed Company for Stores IGRSOLRAND	Gear mechanic Ingersoll Rand well drilling rig	<p>1- Disassembly and installation of Komatsu and Perkins internal combustion engines 2- Dismantling, installing and maintaining Ingersoll Rand air compressors 3- Dismantling, installing and maintaining pneumatic engines such as (vane and hummer type and movement from 7 to 21 kilograms) 4- Dismantling, installing and maintaining the pneumatic, electro-pneumatic, hydraulic and electro-hydraulic coils and controls, the oil tank, oil filters and oil filters.</p>
2014	Nova Paints Company	Maintenance technician assistant	<p>1- Electromechanical technician assistant</p> <p>2- Assistant for mixing paint materials</p>

		Electromechanical	
2014	BMW Mechanic Center	Gasoline mechanic	1- Dismantling, installing and maintaining internal combustion engines 2- Changing spark plugs 3- Changing spark plugs, coil, air and oil filters
2014	Hussein Gasoline Mechanic Center for all cars	Gasoline mechanic	1- Dismantling, installing and maintaining internal combustion engines 2- Dismantling, installing and maintaining regular and automatic gearboxes 3- Dismantling, installing and maintaining bricks 4- Dismantling, installing and maintaining oil and air filters, spark plugs, coils, water pump, radiator and diesel pump.
2014	Al Safa Company Mercedes mechanics	Mercedes gasoline mechanic	1- Dismantling, installing, maintaining, and making overalls for internal combustion engines, manual gearboxes, and automatic gearboxes 2- Computer inspection, disassembly, installation and maintenance of air and oil filters, spark plugs, coils and engine seats 3- Dismantling, installing and examining the bricks

2014 Al-Nawtajiyah Forklifts Company Mechanic, Abu Al-Hajj Mechanical GM Company, Abu Al-Raed Mechanical Company, Nova Paints Company, Electromechanical Maintenance Technician Assistant, Raed BMW Mechanical Center, Hussein General Mechanical Center, and Al-Safa Company for Mercedes Mechanics.

2016 ABC Printing Company, Electromechanical Maintenance Technician Assistant, and Dar Al-Manhal Publishing Company, Assistant Sales Representative.

2017 Al-Safadi Fine Company, Electromechanical Maintenance Technician

Al-Sarawi Bakery, Electromechanical Maintenance Technician, Electronics and Screen Maintenance Center

2019 A shop for air conditioning and refrigeration works, Al-Kayyali wood turning lathe, and Al-Qimma Foundation for winding electric motors and refrigeration compressors.

2020 Al-Badiha Engineering Works Company, Electromechanical Maintenance Technician

2021 Abu Al-Qasim Lathe Company, Electromechanical Maintenance Technician Manager (Lathe Instructor)

2022 Dahbour Center for refrigerators and thirmoking Alaa Al-Obaidi Center for Actros truck mechanics Ismail Center for heavy machinery Quatso

2023 Ahmed and Ghassan for overall turning, Hani Al-Hayek for heavy machinery mechanics, Caterpillar, Pluto Company, Saudi Arabia for engineering and electrical works, electromechanical maintenance technician, and Abu Mashhour Tank Factory Company, electrical technician. 8/20/2023 to 8/28/2023

### **training courses :-**

- 1- Computer maintenance course, Matrix Center
- 2- Electric motor winding course, Al-Qemma Foundation for winding electric motors and refrigeration compressors
- 3- Incomplete cellular device maintenance course 2020
- 4- Hybrid car maintenance course 2020
- 5- Fiber optic course 2021
- 6- Comprehensive Mechanics Course 2022
- 7- Overhole, crank and cylinder lathe course 2023
