INTERESTS

ABOUT ME

I've been in the web developer field for more than four years. I learned everything through self-education from websites and YouTube. I learned programming languages such as HTML, CSS, JavaScript, PHP, MySQL and some libraries used in creating and developing websites such as Bootstrap, jQuery, Vue.js, Laravel is a PHP.

EXPERIENCE

WEB DEVELOPER

(Oct 2018 - Present)

Freelancer

I have been in this field for more than four years and have been working on full-fledged projects. I am working on personal projects with a team.

I work as a freelancer in this field and created some websites, and I am still learning in this field.
