EXPERIENCE / INTERNSHIPS

SCHLUMBERGER LTD – Engineering

Hassi Messaoud, ALGERIA

Jan. 2018 –Present Well Intervention Technical and Sales Engineer

- ✓ Algerian market analysis in terms of Coiled Tubing Intervention needs, contracts study
- ✓ Focal points for 12 different clients (SH and Foreign associates)
- ✓ Monthly/Annual activity and revenue forecast
- ✓ Field operations follow up
- ✓ Follow up with clients on operations costs, contract consumption, CT usage statistics on SH fields
- ✓ Algeria Pipe Management Champion

NPS Algeria – Engineering

Hassi Messaoud, ALGERIA

Juillet 2015–Juillet 2016 Coiled Tubing Technical Engineer

- ✓ Supervising coiled tubing operations (clean out, nitrogen lift, matrix acidizing, tube clean, cement plug, sand plug)
- ✓ Designing jobs using simulations and slb softwares (cleanouts, kick off, acid jobs,)
- ✓ Studying post job reports to improve service quality
- ✓ Running required lab tests for CT stimulations operations
- ✓ Cost estimations, verifications, and tickets submission to finances

SCHLUMBERGER LTD – Engineering-Field Operations

Hassi Messaoud, ALGERIA

Mai 2013 –Juin 2015 Coiled Tubing Field Engineer

- ✓ Supervising coiled tubing operations (clean out, nitrogen lift, matrix acidizing, tube clean, cement plug, sand plug)
- ✓ Designing jobs using simulations and slb softwares (cleanouts, kick off, acid jobs,)
- ✓ Studying post job reports to improve service quality

GROUPEMENT SONATRACH AGIP – Process Engineering

Bir Rebaa Nord, ALGERIA

Apr. 2012 – May. 2012 Process engineer trainee

- ✓ For my graduation project “study and optimization of the parameters of the stabilization unit of crude oil in the Usine de Traitement d'Huile de BRN, using HYSYS simulator”
- ✓ Studied design cases in both winter and summer to compare results and improve quality (represented but RVP, Reid Vapour pressure) of the resulted stabilized oil

SONATRACH DIVISON NAFTEC – Introduction to Refining Operations

Algiers, ALGERIA

Aug. 2011 Trainee

- ✓ Introduction to operations in refining, topping, platforming, and gas plant
- ✓ Laboratory analysis, QA/QC of all the fractions produced in Algiers refinery

EDUCATION

Sept.2015 – Aug. 2016 UNIVERSITY OF BOUMERDES - FACULTY OF OIL AND CHEMISTRY

Master's Degree, Chemical process engineering, Major: Refining

Main Courses: Unit operations, transfer of heat and mass, oil processing, different oils/greases industry

Sept.2007 – Aug. 2012 UNIVERSITY OF BOUMERDES - FACULTY OF OIL AND CHEMISTRY

Engineering Degree, Chemical process engineering, Major: Refining

Main courses: Unit operations, transfer of heat and mass, oil processing, oil refining, engineering of reactors, petrochemicals, thermodynamics and chemical kinetics, Physical chemical methods of analysis, Equipment.

June 2007

Baccalaureate in Science, Grade: Good (16.85/20)

PROFESSIONAL TRAININGS

Sept 2019 Schlumberger Office

Tunis, Tunisia

Sales and Negotiation workshop – 5 days

Dec. 2018 MD1 Base (HMD)

Hassi Messaoud, ALGERIA

Hazard Identification and Risk Control – 3 days

Certificate: HSE Level 2

Oct. 2014 Kellyville Learning Centre

Tulsa, Oklahoma, USA

Coiled Tubing Technical School – 7 weeks

Certificate: WI-CTS FE-TS

Mar. 2014 Middle East and Asia Learning Centre

Abu Dhabi, UAE

WellControl for Coiled Tubing Operations – 5 days

Certificate: WellCAP, IADC Well Control Accreditation Program, Well Control School

Jan. 2014 - Mar. 2014 Middle East and Asia Learning Centre

Abu Dhabi, UAE

Operational School Certification/Coiled Tubing Operational – 2 months & 2 days

Certificate: WI-CTS FE-OS

Dec. 2013 MD1 Base (HMD)

Hassi Messaoud, ALGERIA

Hazard Identification and Risk Control – 3 days

Certificate: QHSE Level 2

May. 2013 European Learning Centre

Melun, FRANCE

Introduction to exploration and production industry, QHSE, First Aid – 7 days

Certificate: OilField Seminar 1

LANGUAGES & SOFTWARE

- ❖ French and Arabic (native), English (full professional proficiency).
- ❖ MS Office, HYSYS, CoilCADE, CoilCAT, StimCADE, Basics in TechLOG

INTERESTS & OTHER ACTIVITIES

- ❖ Travelling (Turkey, France, UAE, Tunisia, Morocco, and different regions in Algeria)
- ❖ Cooking
